

Please help the

Utah Federation of Republican Women

Support our Troops!

We have been supporting a variety of projects which have helped our troops and their families. Please stop by our booth at the State Convention and see our displays which will show some of the service we have provided. If you would like to help, please bring the following items:

White cotton t-shirts and black running shorts
(Solid colors only – no print or adornment)
- sizes L, XL, and XXL

If you prefer, we will also be collecting cash donations for these and many other needed items. This project is to help the Landstuhl Hospital Care Project (LHCP) so please make checks payable to them. For more information on this very worthy cause, visit their website at

<http://www.landstuhlhospitalcareproject.org/>
